Re: Williamsburg Bluffs Development
Section One, Phase III

Dear Mr. Bryant,

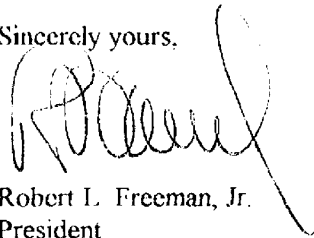

We have been advised that it is necessary to request a street name change even though this change to the PD master plan was previously approved by the Board of Supervisors.

The existing street, Drew Road in Carver Gardens, was originally planned to be extended from Carver Gardens to Parchment Boulevard in Williamsburg Bluffs. However, the PD plan was changed and the Drew Road extension was eliminated. The street in Williamsburg Bluffs is now a cul-de-sac street accessible only from Parchment Boulevard in Williamsburg Bluffs. The street name change previously requested by us was Brass Court, however, we have recently been advised that Brass Court is not acceptable to the county because of a similar street name.

We now request that the street be named **BRONZE COURT**.

Please advise me when the street name change to Bronze Court is officially approved.

Sincerely yours,

Robert L. Freeman, Jr.

Re: Street Name Change

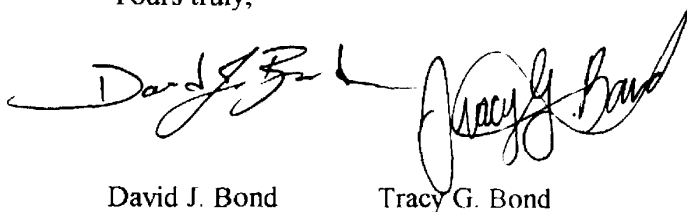

Mr. Chairman and Members of The Board of Supervisors,

This letter is to confirm our agreement to change the street name that our home fronts on from Drew Road to *BRONZE* Court.

We understand our agreement is required because Drew Road will not be extended from Williamsburg Bluffs into Carver Gardens. The street is now terminated by a cul-de-sac from Williamsburg Bluffs.

Should you have any questions please contact us.

Yours truly,
